“Summer time and the livin’ is easy...” I hope that’s the case for each of you – I can’t believe July 4th weekend is on the near horizon but I truly am enjoying the long hours of daylight

The schedule above accounts for the conflicts that I am aware of – as usual, I hope I’ve covered all. If not, please obtain a substitute, ask your partner to cover if applicable or give me a call and we’ll figure something out.

Some changes to note. **Connor McGowan** has departed to begin his new adventure at the U. S. Coast Guard Academy. We thank him for his many, many services to St. Mary’s and wish him well. **Amber McGowan** is taking a well deserved leave of absence and, likewise, we thank her for her devotion to St. Mary’s and for “loaning” the rest of her family to us on Sunday.

Please keep **Roberta Moser** in your prayers as she deals with some tough illness. She’s been my partner and I’ll look forward to having her back as soon as she feels up to it.

Please welcome **David Hartford** who will be adding to our group of 4:00 PM Lectors who have been carrying a full load. David, welcome aboard.

As always, thank you all for proclaiming God’s word so wonderfully and for your cooperation and flexibility. I wish each of you the best a Maine summer has to offer. Let me know if you need anything – see you in church.

Jim
